

Mission Statement

The mission of the Farm Island Lake Improvement Association (FILIA) is to:

- 1) Promote the safety and common good of the Farm Island Lake community.
- 2) Improve and preserve the quality of the land and water in the Farm Island Lake area for its members, the community and future generations.

Some examples of how we strive to meet our mission are:

- Work with DNR, ACLARA and Aitkin Soil and Water Department on Invasive Species Prevention (AIS), which includes efforts to monitor public accesses
- Provide opportunities (Farm Island Lake Boat Parade, annual meeting, AIS updates, emailed newsletters, etc.) for members to get to know each other. This will foster a safer community setting.
- Provide an opportunity for members to give feedback to the DNR on issues such as walleye slot limits, invasive species, and boat access
- Provide members feedback on safety issues from the Aitkin Sheriff Department
- Loon nesting program
- Lake weed control
- Water quality monitoring
- Improve walleye spawning area

2022 Calendar of Events

4th of July Boat Parade	Saturday, July 2, Noon	FIL South Public Access
Fall Board Member Meeting	Saturday, Sept. 3, 8:00am	The Joint Tavern & Eatery

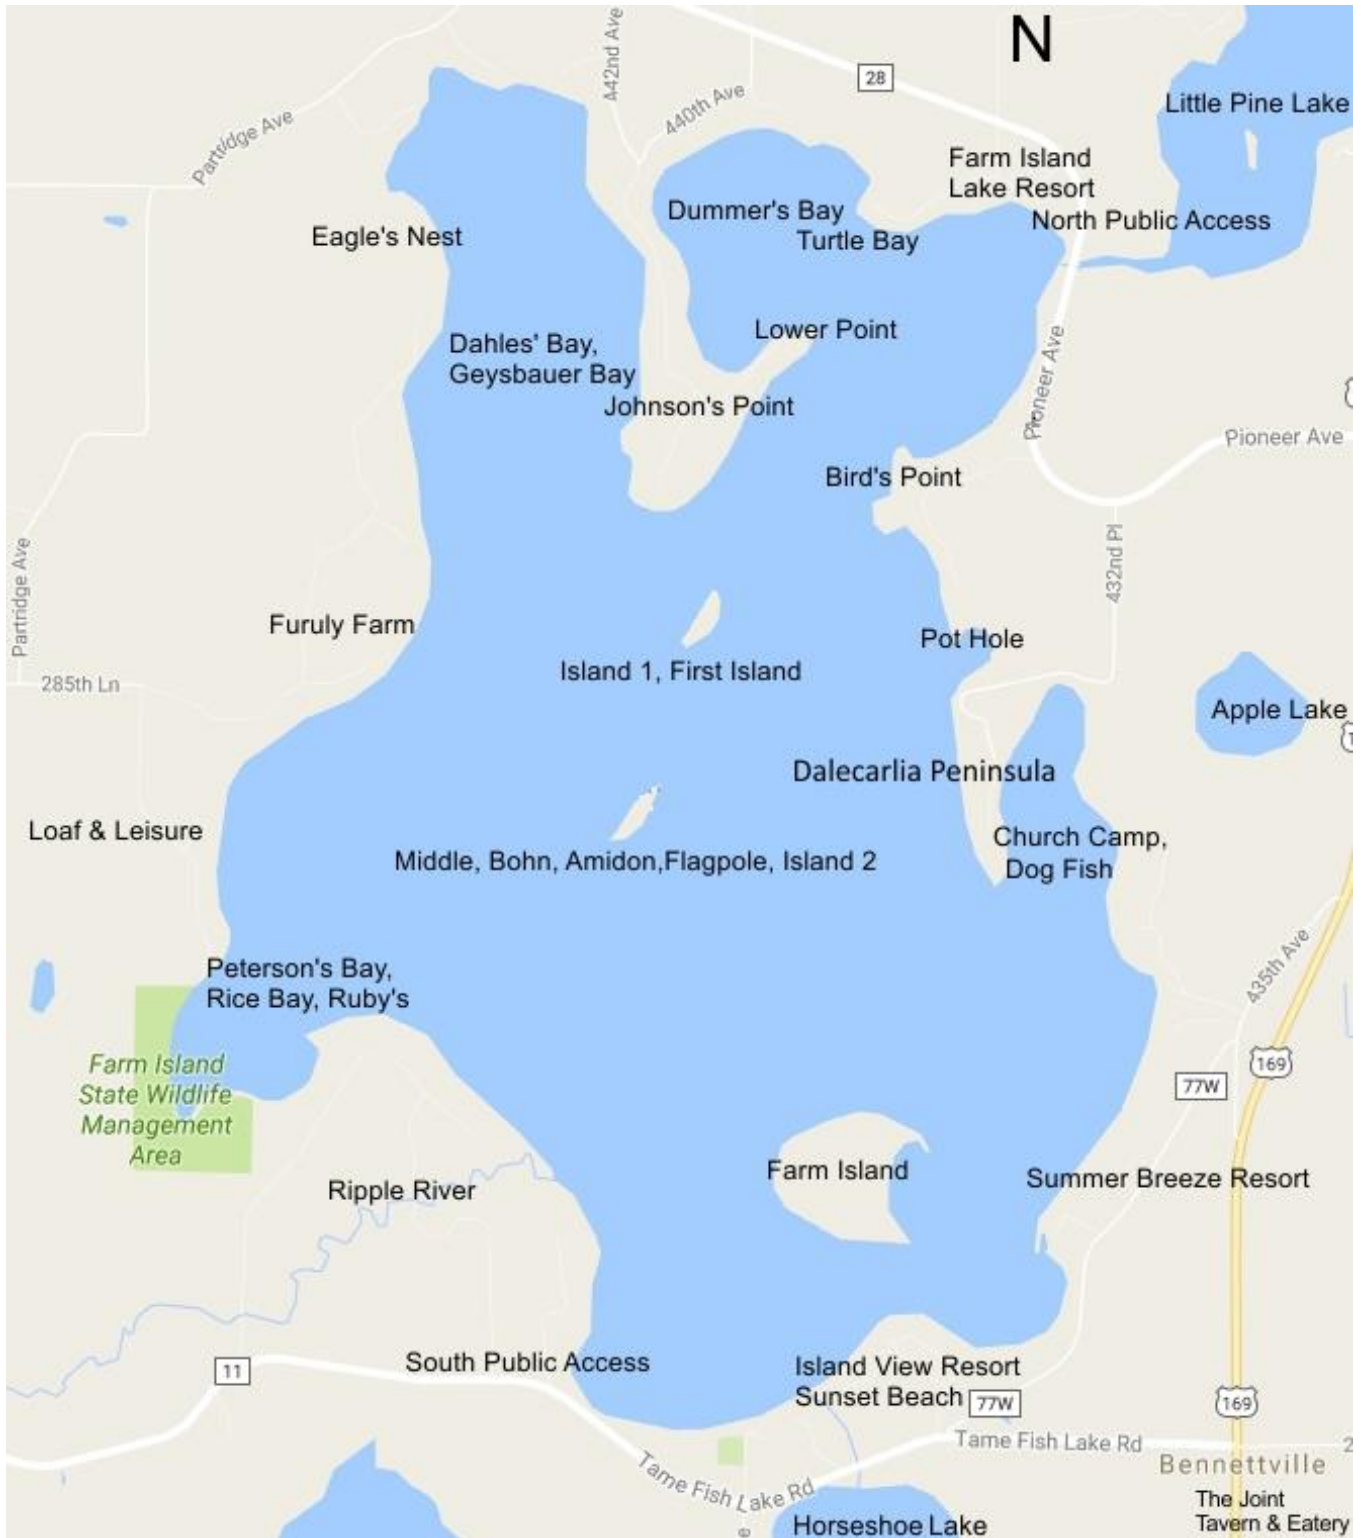

Shore Captains

Shore Captains are on Farm Island Lake and have volunteered to help provide lake users and residents with lake related information by:

1. Welcoming new residents, and making everyone aware of lake issues, such as Invasive Species controls, and opportunities.
2. Helping broadcast late breaking news, such as the no-wake order in 2012 and 2016 due to high water.
3. Providing your feedback and comments to the FILIA board on issues and opportunities.
