

## **F.I.L.I.A Minutes Recap from Meeting June 16, 2018**

- Jim gave introduction to meeting. Meeting was called to order
- Pledge of alienage
- Introduction of board members
- Guest speaker Terry Wanderi, from Landsburg Nursery, Brainerd
- Greg Anderson gave a PowerPoint presentation on Aquatic Invasive Species, and grant updates. We had about 2600 boats on Farm Island last year at the boat launches. The DNR said we are at high risk for Zebra mussels.
- Cheryl said we had about 117 paid members at the time of the meeting. There was also over 500 hits on the web site.
- Cheryl went over financials.
- Don Mathias has stepped down as Web Master. The Board presented him with a gift certificate for his service.
- Russ Hoppe gave the water clarity in May as 11 ft. which is within normal limits.
- Bill reported about ACLARA meetings. Reminder about divers' tubes with flags. Cheryl will note this in the newsletter.
- There's a new weed called Spiny Water fleas. Spinney water fleas collect in masses on fishing lines and downrigger cables.
- Pat discussed LID (Lake Improvement District) adding to taxes? Need 60% to pass.
- Minnewawa was the first to approve.
- Signage for landing, need approval from DNR.
- Idea to increase dues to be brought up at next meeting.
- Door Prizes
- Meeting adjourned.

Cincy Chuhanic, Secretary
